1. 26th ESV 2019

Technology: Enabling a safer tomorrow

After almost 20 years, the International Technical Conference and Exhibition on Enhanced Safety of Vehicles (ESV) is once again being hosted by RDW, the Vehicle Authority of the Netherlands. The ESV conference is internationally focused on vehicle safety and is supported by the U.S. Department of Transportation (DOT), National Highway Traffic Safety Administration (NHTSA), and many other participating Governments across North America, Europe and Asia-Pacific regions.

This conference venue is an opportunity for the automotive industry to showcase ongoing developments in modern safety technologies and countless safety counter-measures. Additionally, this is an ideal location for interacting with the world's renowned auto safety experts who will be in attendance at this conference. The conference will have ample facilities for safety demonstrations so exhibitors can provide real-world experiences for educating the public.

The Organizing Committee for the ESV Conference is extending an invitation to members of the safety community to join in all the events being planned for this conference and experience the various activities, including the diverse exhibits, technical presentations, and other demonstrations that will be arranged for this event.

The Evoluon is easily accessible by public transportation.

In Eindhoven, train and bus stations Eindhoven Central and Eindhoven Airport are both a short distance away from the Evoluon.

Busses depart from the north side of Station Eindhoven Central:

- Hermes bus line 401 Direction: Eindhoven Airport via Meerhoven
- Hermes bus line 402 Direction: Veldhoven Sondervick
- Hermes bus line 403 Direction: Oerle

Generally, busses depart from Eindhoven Central Station every 10 minutes, and even every 5 minutes during peak hours. The stop 'Evoluon' is applicable for all above-mentioned bus lines.

Personal Vehicle

We do not recommend travelling to Evoluon by car as there are a very limited number of parking spots.

Taxi and Ride-Sharing

If you prefer to use the services of taxis and/or ride-sharing companies, we recommend making reservations in advance. Most taxi company representatives and drivers speak English.
